TO: THE HONORABLE ROBERT D. DRAIN  
UNITED STATES BANKRUPTCY JUDGE:

Kramer Levin Naftalis & Frankel LLP (the “**Applicant**” or “**Kramer Levin**”), co-counsel to the Ad Hoc Committee of Governmental and Other Contingent Litigation Claimants (the “**Ad Hoc Committee**”) of the above-captioned debtors and debtors-in-possession (the “**Debtors**”) in these Chapter 11 Cases, hereby submits its Second Interim Application (the “**Application**”) for Allowance of Compensation for Professional Services Rendered and for Reimbursement of Actual and Necessary Expenses Incurred for the Period From February 1, 2020 Through May 31, 2020 (the “**Second Interim Fee Period**”), pursuant to title 11 of the United States Code (the “**Bankruptcy Code**”) Sections 330(a) and 331, the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) Rule 2016, and the Local Bankruptcy Rules for the Southern District of New York (the “**Local Bankruptcy Rules**”) Rule 2016-1, for the interim allowance of compensation for the professional services performed by Kramer Levin for and on behalf of the Ad Hoc Committee for the Second Interim Fee Period, and for reimbursement of its actual and necessary expenses incurred during the Second Interim Fee Period. In support of the Application, Kramer Levin respectfully represents as follows:

### **JURISDICTION**

1. The United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”) has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334.

2. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

### **PRELIMINARY STATEMENT**

3. During the Second Interim Fee Period, Kramer Levin represented the Ad Hoc Committee in all aspects of these Chapter 11 Cases. The Ad Hoc Committee continued to play a critical role during the Second Interim Fee Period, with its efforts ultimately directed towards among other things, (i) analyzing diligence, documents, and discovery provided by the Debtors and the Sacklers, understanding the assets of such parties, and conducting further diligence regarding the terms of the Summary Term Sheet as contemplated therein, (ii) analyzing issues potentially relevant to a restructuring support agreement and chapter 11 plan, (iii) conducting coordinated discovery and diligence with the Debtors, the Creditors Committee, and the Non-Consenting States regarding motions filed by the Debtors' to enter into certain funding and related agreements, (iv) engaged with key stakeholders to establish mediation procedures and an order (the "**Mediation Order**") appointing the Honorable Layn Phillips and Mr. Kenneth Feinberg as co-mediators, (v) attended meet-and-confers with the Debtors, the Sacklers, the Creditors Committee, and other parties-in-interest regarding discovery disputes, and (vi) continued to negotiate with key constituents regarding the terms of an emergency relief fund ("**ERF**").

4. The substantial efforts and achievements of the Ad Hoc Committee, occurring over the course of the Second Interim Fee Period, required significant resources of Kramer Levin and other Ad Hoc Committee professionals. Kramer Levin drafted multiple pleadings (some of which were ultimately superseded by consensual resolutions), conducted extensive negotiations with interested parties, reviewed substantial diligence, researched the relevant legal and factual issues involved, advised the Ad Hoc Committee on options and solutions to complex issues, and, when necessary, prepared to litigate (or litigated) unresolved issues.

5. In addition, Kramer Levin worked diligently to ensure that the Ad Hoc Committee and its professionals were appropriately informed of all case updates through: (i) monitoring the

filings, pleadings, and other developments in the Chapter 11 Cases to ensure the Ad Hoc Committee was up-to-date on the status of the case; (ii) hosting weekly Ad Hoc Committee calls (and various subcommittee calls) and disseminating extensive and detailed near-daily e-mail reports and other correspondence with the Ad Hoc Committee; and (iii) addressing the questions of Ad Hoc Committee members (and other similarly-aligned parties) inquiring about the status and disposition of the case.

6. Accordingly, Kramer Levin respectfully submits that its services during the Second Interim Fee Period warrant approval of its requested fees and expenses.

**SUMMARY OF PROFESSIONAL COMPENSATION  
AND REIMBURSEMENT OF EXPENSES REQUESTED**

7. This Application has been prepared in accordance with the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on January 23, 2013 (the “**Local Guidelines**”), as amended, and the United States Trustee for the Southern District of New York (the “**UST**”) Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on January 30, 1996 (the “**UST Guidelines**”), the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals* [Docket No. 529] (the “**Interim Compensation Order**,” collectively with the Local Guidelines and UST Guidelines, the “**Guidelines**”), and the *Order Authorizing the Debtors to Assume the Reimbursement Agreement and Pay the Fees and Expenses of the Ad Hoc Committee’s Professionals* [Docket No. 553] (the “**Fee Assumption Order**”). Pursuant to the Local Guidelines, a certification of Kenneth H. Eckstein regarding compliance with the same is attached as “**Exhibit A**” hereto, which includes statements addressing the information required pursuant to Section C.5 of the UST Guidelines:

8. Kramer Levin seeks the interim allowance of fees for professional services rendered during the Second Interim Fee Period in the aggregate amount of \$1,568,914.50 (the “**Second Interim Fees**”) and reimbursement of expenses incurred in connection with the rendition of those services in the aggregate amount of \$92,717.65 (the “**Second Interim Expenses**”). During the Second Interim Fee Period, Kramer Levin’s attorneys and paraprofessionals expended a total of approximately 1,534.7 hours for which compensation is requested.

9. There is no agreement or understanding between Kramer Levin and any other person, other than members of Kramer Levin, for the sharing of compensation to be received for services rendered in these Chapter 11 Cases.

10. The fees charged by Kramer Levin in these Chapter 11 Cases are billed in accordance with its existing billing rates in effect during the Second Interim Fee Period.

11. During the course of these Chapter 11 Cases, Kramer Levin exercised its billing discretion and, as discussed in more detail below, voluntarily wrote off certain fees and expenses. Kramer Levin’s decision to apply these write-offs of fees and expenses has resulted in savings to the estates during this Second Interim Fee Period of \$54,353.23.<sup>2</sup>

12. Kramer Levin’s rates for the services rendered by its professionals and paraprofessionals in these Chapter 11 Cases are the same rates that Kramer Levin charges for such professional and paraprofessional services rendered in comparable non-bankruptcy matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive national legal market.

13. Pursuant to the UST Guidelines, annexed hereto as “**Exhibit B**” is a schedule setting forth all professionals and paraprofessionals employed by Kramer Levin who have

<sup>2</sup> This amount includes reductions for non-working travel, which is billed at 50%, and reductions in connection with compliance with the Administrative Order and U.S. Trustee Guidelines.

performed services in these Chapter 11 Cases during the Second Interim Fee Period, the capacities in which each such individual is employed by Kramer Levin, the department in which each individual practices, the year in which the individual was licensed to practice law in the state of New York, the hourly billing rate charged by Kramer Levin for services performed by such individual, and the aggregate number of hours expended and fees billed.

14. Annexed hereto as “**Exhibit C**” is a schedule specifying the categories of expenses for which Kramer Levin is seeking reimbursement and the total amount for each such expense category. Annexed hereto as “**Exhibit D**” is Kramer Levin’s detail of disbursements and expenses and a schedule specifying the categories of expenses for which Kramer Levin is seeking reimbursement and the total amount for each expense category for the Second Interim Fee Period.

15. Pursuant to the UST Guidelines, annexed hereto as “**Exhibit E**” is a summary of Kramer Levin’s time billed during the Second Interim Fee Period, broken down by project categories as hereinafter described.

16. Kramer Levin maintains computerized records of the time spent by all of Kramer Levin’s attorneys and paraprofessionals in connection with its representation of the Ad Hoc Committee. These records were used to prepare detailed time descriptions in accordance with the UST Guidelines and organized by project codes. These detailed time records, along with the detailed listings of the expenses incurred in connection with the services rendered, were submitted to the Court (with notice given in accordance with the Interim Compensation Order and Fee Assumption Order) as part of the Monthly Fee Statements (defined below). Subject to redaction for attorney-client or other privilege(s), copies of the final detailed time records and expenses for the Second Interim Fee Period are being provided herewith to the Court and the Notice Parties, and are attached hereto as **Exhibit F**.

17. Since the commencement of these Chapter 11 Cases, Kramer Levin has provided the Court with a Monthly Fee Statement for each month for which compensation was sought pursuant to the Interim Compensation Order established in these Chapter 11 Cases. During the Second Interim Fee Period, Kramer Levin provided the appropriate Court with the following monthly fee statements:

- a. For February 1, 2020 through and including February 29, 2020, fees of \$423,757.50 and expenses of \$3,439.62 (the “**February Fee Statement**”);
- b. For March 1, 2020 through and including March 31, 2020, fees of \$370,398.50 and expenses of \$51,598.57 (the “**March Fee Statement**”);
- c. For April 1, 2020 through and including April 30, 2020, fees of \$476,681.00 and expenses of \$5,989.84 (the “**April Fee Statement**”);
- d. For May 1, 2020 through and including May 31, 2020, fees of \$298,077.50 and expenses of \$31,689.62 (the “**May Fee Statement**,” collectively with the February Fee Statement, the March Fee Statement, and the April Fee Statement, the “**Monthly Fee Statements**”).

18. In total, Kramer Levin has submitted Monthly Fee Statements during the Second Interim Fee Period for fees of \$1,568,914.50 and expenses of \$92,717.65. As of the date of this Application, no notice party has objected to the Monthly Fee Statements.

19. Prior to the service of each Monthly Fee Statement, Kramer Levin conducted an internal review of fees and expenses incurred during that month. As a result of such review, Kramer Levin wrote off a total of \$50,249.50 in fees and \$4,103.73 in expenses. The Monthly Fee Statements reflected the reduced amount after write-offs. Accordingly, Kramer Levin hereby seeks allowance of fees incurred for the Second Interim Fee Period in the amount of \$1,568,914.50,

and the reimbursement of actual and necessary expenses incurred for the Second Interim Fee Period in the amount of \$92,717.65.

20. In accordance with the Interim Compensation Order, Kramer Levin sought payment of 80% of its fees and 100% of its expenses incurred, pursuant to each Monthly Fee Statement filed with the Court.

21. In total, therefore, pursuant to this Application, Kramer Levin respectfully requests that the Court enter an order awarding Kramer Levin, on an interim basis, fees in an aggregate amount of \$1,568,914.50 and the reimbursement of actual and necessary expenses Kramer Levin incurred during the Second Interim Fee Period in the aggregate amount of \$92,717.65. Kramer Levin requests payment of 20% of its fees that have been held back for the Monthly Fee Statements.

22. To the extent that time or disbursement charges for services rendered or expenses incurred relate to the Second Interim Fee Period, but were not processed prior to the preparation of this Application, Kramer Levin reserves the right to request compensation for such services and reimbursement of such expenses in a future application.<sup>3</sup>

23. A budget and staffing plan for the Second Interim Fee Period is attached hereto as **Exhibit G** and includes a comparison to actual amounts.<sup>4</sup>

24. Kramer Levin's rates in these Chapter 11 Cases are consistent with the rates charged by Kramer Levin to its non-bankruptcy clients. These rates are similar to the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy and

---

<sup>3</sup> In accordance with the Fee Assumption Order, Kramer Levin has separately recorded work performed relating to allocation of value among the Debtors' creditors, and, to the best of its knowledge, Kramer Levin has not included time relating to such allocation in this Application. Kramer Levin may request fees related to allocation among creditors at a later date by separate application.

<sup>4</sup> A non-itemized budget was provided to the Debtors for the period covered by this Application. An itemized budget is included with this Application. Kramer Levin confirms that the fees sought in this Application are not more than 10% higher as compared to the non-itemized budget.

bankruptcy cases in a competitive national legal market. Pursuant to the U.S. Trustee Guidelines, **Exhibit H** discloses the blended hourly rates for all non-bankruptcy timekeepers in the New York office of Kramer Levin and the blended hourly rates for timekeepers who billed to the Committee during the Second Interim Fee Period.

25. Prior to filing this Application, Kramer Levin provided the Ad Hoc Committee with a copy of the Application.

### **BACKGROUND**

26. On September 15, 2019, the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to Bankruptcy Code Sections 1107 and 1108.

27. The Ad Hoc Committee consists of (i) ten States, (ii) the PEC, (iii) six political subdivisions of States, and (iv) one federally recognized American Indian tribe, as identified in the verified statement filed pursuant to Bankruptcy Rule 2019 at Docket Number 279.

28. The Ad Hoc Committee is represented in these bankruptcy cases by the following counsel: (i) Kramer Levin Naftalis & Frankel LLP, as lead bankruptcy counsel; (ii) Brown Rudnick LLP, as coordinating counsel for the non-state members of the Ad Hoc Committee, including the PEC; (iii) Otterbourg P.C., as coordinating counsel for the state members of the Ad Hoc Committee; and (iv) Gilbert LLP, as mass tort, deal and insurance counsel. In addition, the Ad Hoc Committee has retained financial professionals assist in, among other things, conducting diligence relating to the Settlement Term Sheet, and evaluating and structuring the complex sale and M&A transactions for the Sackler assets.

29. On October 29, 2019, the Debtors' filed the *Motion to Assume the Prepetition Reimbursement Agreement with the Ad Hoc Committee, and to Pay the Fees and Expenses of the Ad Hoc Committee's Professionals* (the "**Fee Assumption Motion**") [Docket No. 394].

30. On December 2, 2019, the Court granted the Fee Assumption Motion by entering the Fee Assumption Order.

**SUMMARY OF LEGAL SERVICES RENDERED**

31. During the Second Interim Fee Period, the Ad Hoc Committee has worked with the key case constituencies to accomplish a substantial amount. The following summary is not a detailed description of the work performed, as the day-to-day services and the time expended in performing such services are fully set forth in Exhibit F. Rather, the following summary highlights certain areas in which services were rendered to the Ad Hoc Committee and identifies some of the issues to which Kramer Levin devoted significant time and effort during the Second Interim Fee Period.

32. The summary is divided according to the project billing codes, which were created by Kramer Levin (in coordination with the other professionals for the Ad Hoc Committee) to best reflect the categories of tasks that it was required to perform in connection with these Chapter 11 Cases. Nevertheless, given the interconnectedness of the issues in these Chapter 11 Cases, certain of these categories may overlap with others.<sup>5</sup>

**A. Asset Analysis and Recovery**  
**Billing Code: 00001**  
**(Fees: \$500,410.00/Hours Billed: 514.9)**

33. One of the key accomplishments of the Ad Hoc Committee during the Second Interim Fee Period was the review of ongoing diligence provided by the Debtors, the Sacklers, and other parties-in-interest. This diligence process included reviewing and analyzing various information regarding the Debtors, their assets and business, and the Sacklers and their assets, including the Sacklers' Ex-US pharmaceutical companies (collectively, the "**IACs**"), and the

potential value of the sale of such assets to facilitate distributions contemplated by the Summary Term Sheet. During the Second Interim Period, Kramer Levin continued to work with its established diligence subcommittee – consisting of a small subset of Ad Hoc Committee members – to consult on diligence issues prior to discussions with the broader group of Ad Hoc Committee members. Kramer Levin worked extensively with the Ad Hoc Committee’s financial professionals regarding their analysis of the materials and in preparing diligence updates for the diligence subcommittee (as well as the full Ad Hoc Committee) and the Non-Consenting States. Discovery and diligence contemplated by the Summary Term Sheet is ongoing and Kramer Levin has continued to work with the Debtors, Sacklers, and other key creditor constituents in facilitating more robust productions.

34. The diligence analysis requires substantial efforts from Kramer Levin across practice areas, including involvement of corporate teams to analyze diligence relating to both domestic and international businesses, tax teams to analyze complex tax issues involved in various aspects of and structures underlying the Summary Term Sheet (including the contemplated sale of the IACs), litigation professionals to analyze potential estate claims, and bankruptcy professionals to understand each of these issues in the context of an eventual chapter 11 plan.

**B. Business Operations**

**Billing Code: 00003**

**(Fees: \$52,697.50/Hours Billed: 49.0)**

35. During the Second Interim Fee Period, Kramer Levin conducted analysis of certain of the Debtors’ requests for relief, including the assumption of the lease of Purdue’s headquarters and the development of a nalmafene autoinjector and OTC naloxone. The analysis provided by Kramer Levin was necessary to the Ad Hoc Committee in deciding its best course of action in regard to these motions. Kramer Levin also worked with co-counsel in coordinating a report and

presentations from an external health expert in respect of the Debtors' requested relief in these motions, for the benefit of the Ad Hoc Committee.

**C. Case Administration**

**Billing Code: 00004**

**(Fees: \$71,295.00/Hours Billed: 67.3)**

36. A portion of the services rendered during the Second Interim Fee Period related to the continued organization of the Ad Hoc Committee and matters related thereto. In addition, Kramer Levin devoted time to various administrative tasks necessary to assist the Ad Hoc Committee and its professionals in functioning efficiently, including, but not limited to: maintaining work-in-progress reports and work streams; internal organizational meetings and organizational meetings among professionals; monitoring calendars of critical dates; preparing materials for internal distribution; coordinating conferences and meetings with Ad Hoc Committee professionals; obtaining filed pleadings and maintaining case folders of the same; and routine communications and correspondences.

37. This matter also includes a substantial amount of time incurred by Kramer Levin during the Second Interim Fee Period negotiating with the Debtors, the Sacklers and all other case constituents regarding the terms of the Mediation Order between the Debtors' public and private claimants, and related issues. Given the number and composition of the various constituencies in this case, the Mediation Order required substantial negotiation among all parties to achieve consensus.

**D. Claims Analysis**

**Billing Code: 00005**

**(Fees: \$32,307.50/Hours Billed: 30.0)**

38. During the Second Interim Fee Period, Kramer Levin communicated with the Debtors and other key stakeholders in connection with the extension of the bar date, and analyzed multiple filings regarding requests for bar date extensions. In addition, Kramer Levin drafted and

submitted an objection by the Ad Hoc Committee to an extension of the bar date, opposing a bar date extension in excess of 30 days. Kramer Levin also engaged with co-counsel on the procedures for drafting and filing consolidated claims.

**E. Employment and Fee Applications**  
**Billing Code: 00006**  
**(Fees: \$108,256.00/Hours Billed: 151.7)**

39. In the course of the Second Interim Fee Period, Kramer Levin prepared, filed and served several monthly fee statements, and reviewed and coordinated the monthly fee statements of other Ad Hoc Committee professionals filed in these Chapter 11 Cases.

40. This matter also includes time spent reviewing Kramer Levin's and other Ad Hoc Committee professionals' monthly invoices for compliance with UST Guidelines and for privilege and confidentiality concerns.

**F. Emergency Financing**  
**Billing Code: 00007**  
**(Fees: \$256,707.50/Hours Billed: 209.3)**

41. During the Second Interim Fee Period, Kramer Levin continued to work extensively with the Ad Hoc Committee's members in analyzing, understanding and/or formulating a proposal for an emergency relief fund ("**ERF**"). Kramer Levin engaged extensively with the Debtors and the Creditors' Committee (as well as the Non-Consenting State Group, the Multistate Governmental Entities Group, and the DOJ/HHS) in an effort to resolve remaining differences among the respective parties' competing ERF proposals. These negotiations required multiple daily phone calls and meetings with all parties – including attending an "all hands" meeting with the key case constituents regarding the terms of an ERF.

42. Ultimately, this process was put on hold by agreement of the Debtors, the Creditors' Committee, and other key constituencies in light of the ongoing Mediation between the public and private creditors.

**G. Litigation**

**Billing Code: 00008**

**(Fees: \$71,834.00/Hours Billed: 67.7)**

43. During the Second Interim Fee Period, Kramer Levin worked to represent the Ad Hoc Committee and engaged with the Debtors with respect to a further extension the stay of litigation against the Debtors. The Ad Hoc Committee ultimately decided to support the extension and Kramer Levin drafted and filed a pleading reflecting its support and participated at the hearing. Kramer Levin also analyzed a motion for stay relief filed by Allergan and conducted legal research related thereto. The Ad Hoc Committee ultimately decided to object to this motion. After filing the Ad Hoc Committee's objection, Kramer Levin prepared for and participated in the hearing with respect to this motion, though the hearing was ultimately adjourned.

**H. Meetings and Communications with Ad Hoc Committee & Creditors**

**Billing Code: 00009**

**(Fees: \$235,068.50/Hours Billed: 216.3)**

44. Given the extraordinary level of activity during the Second Interim Fee Period, the Ad Hoc Committee held group calls or meetings once a week (if not more often when the exigencies of the case required). The general purpose of these meetings was to keep the Ad Hoc Committee informed of developments and current issues in these Chapter 11 Cases, and to discuss, analyze, and vote on Ad Hoc Committee positions with respect to matters requiring their input. Ad Hoc Committee meetings required preparation by Kramer Levin professionals and other Ad Hoc Committee professionals and often included multiple agenda items.

45. Kramer Levin coordinated with the Ad Hoc Committee's other professionals on these meetings, on tasks including drafting and setting agendas and preparing and reviewing materials.

46. Ad Hoc Committee meetings also often required internal pre-meeting and post-meeting conferences among the professionals to prepare for Ad Hoc Committee calls and/or to

discuss follow-up items that arose on such calls. Frequently, due to the number and complexity of items on the agenda for a given meeting, the participation of multiple professionals (including from multiple legal fields) was necessary to ensure that Kramer Levin could be responsive to members' questions as they arose.

47. Kramer Levin also had numerous conference calls and emails with individual members of the Ad Hoc Committee, and the Non-Consenting States, to discuss developments related to the case.

48. In addition, Kramer Levin provided the Ad Hoc Committee with detailed e-mail updates of recently filed pleadings, case issues and negotiations, and other items relevant to the Chapter 11 Cases. Finally, Kramer Levin and the Ad Hoc Committee professionals also drafted and negotiated key documents governing the Ad Hoc Committee, including By-Laws.

**I. Non-Working Travel**

**Billing Code: 00010**

**(Fees: \$3,490.00/Hours Billed: 6.0)**

49. This non-working travel matter primarily includes time spent traveling to and from the Bankruptcy Court to attend omnibus hearings. All fees incurred for non-working travel time will be billed at 50% and the billed time reflects this reduction.

**J. Plan and Disclosure Statement**

**Billing Code: 00011**

**(Fees: \$207,492.50/Hours Billed: 195.6)**

50. In furtherance of the terms contemplated by the Summary Term Sheet, during the Second Interim Fee Period, Kramer Levin prepared analyses identifying and outlining the terms of key definitive documents that will need to be negotiated as part of a chapter 11 plan, including a restructuring support agreement, transaction agreement(s), detailed plan term sheet, and other key documents that remain subject to negotiation. Kramer Levin also engaged in various discussions with the Debtors regarding next steps with respect to the negotiation of such definitive

documents, and including with respect to the RSA, and analyzed and researched numerous legal issues related thereto and to any chapter 11 plan.

**K. 2004 Reporting**  
**Billing Code: 00013**  
**(Fees: \$29,356.00/Hours Billed: 26.9)**

51. During the Second Interim Fee Period, Kramer Levin participated in several meet-and-confers with counsel to the Creditors Committee, the Sacklers, and other parties-in-interest to resolve discovery disputes relating to discovery taken by the Creditors' Committee, the NCSG, and others pursuant to Bankruptcy Rule 2004, and stay abreast of ongoing discovery issues.

**STATEMENT OF KRAMER LEVIN**

52. The foregoing professional services performed by Kramer Levin were appropriate and necessary. The professional services were in the best interests of the Ad Hoc Committee, the Debtors' estates and other parties-in-interest. Compensation for the foregoing professional services as requested is commensurate with the complexity, importance and nature of the problems, issues or tasks involved. The professional services were performed in an appropriately expeditious and efficient manner.

53. The majority of the services performed by Kramer Levin were rendered by Kramer Levin's Corporate Restructuring and Bankruptcy Group. Kramer Levin has a prominent practice in this area and enjoys a national reputation for its expertise in financial reorganizations and restructurings. The attorneys at Kramer Levin have substantial experience representing creditor groups in many chapter 11 cases. In addition, due to the facts and circumstances of these Chapter 11 Cases, attorneys from Kramer Levin's corporate practice group, as well as attorneys in other specialized areas as necessary, were involved with Kramer Levin's representation of the Ad Hoc Committee. Overall, Kramer Levin brings a particularly high level of skill and knowledge which has inured to the benefit of the Ad Hoc Committee in this case.

54. The professional services performed by Kramer Levin on behalf of the Committee during the Second Interim Fee Period required an aggregate expenditure of approximately 1,534.70 recorded hours by Kramer Levin's members, counsel, associates and paraprofessionals. Of the aggregate time expended, 843.0 recorded hours were expended by partners and counsel of Kramer Levin, 603.8 recorded hours were expended by associates, and 87.9 recorded hours were expended by paraprofessionals of Kramer Levin.

55. During the Second Interim Fee Period, Kramer Levin's hourly billing rates for attorneys ranged from \$585 to \$1500 per hour. Non-working travel time was billed at 50% of actual time spent. Allowance of compensation in the amount requested would result in a blended hourly billing rate for attorneys of approximately \$1,058.96 per hour (based upon 1,446.8 recorded hours for professionals at Kramer Levin's regular billing rates in effect at the time of the performance of professional services), and a total blended hourly billing rate for Kramer Levin's paraprofessionals of \$418.71 per hour (based upon 87.9 recorded hours for paraprofessionals at Kramer Levin's regular billing rates in effect at the time of the performance of the services).

56. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable bankruptcy cases in a competitive national legal market. As noted, attached hereto in Exhibit B is a schedule listing each Kramer Levin professional and paraprofessional who performed services in these Chapter 11 Cases during the Second Interim Fee Period, the hourly rate charged by Kramer Levin for services performed by each individual, and the aggregate number of hours and charges by each individual. Kramer Levin provided a copy of the Application to the Ad Hoc Committee prior to filing the Application and received no objection to its filing.

**ACTUAL AND NECESSARY EXPENSES OF KRAMER LEVIN**

57. As set forth in Exhibit C hereto, Kramer Levin has disbursed \$92,717.65 as expenses incurred in providing professional services during the Second Interim Fee Period. Pursuant to Kramer Levin's policies (which we believe are comparable to those of other New York City law firms), Kramer Levin has (and will continue) to pay certain expenses of professionals who work past 8:00 p.m. and on weekends and holidays in the service of its clients, and/or for business travel, including to and from Court hearings or remote meetings. These expenses include meal charges and car fares. Consistent with the U.S. Trustee Guidelines, Kramer Levin has also voluntarily reduced its request for reimbursement for late-working professionals' meal charges to \$20 per meal to the extent that such meal charges were in excess of this limit.

58. With respect to photocopying expenses, Kramer Levin charged \$0.10 per page. Kramer Levin does not charge for facsimile transmissions, other than the cost of long distance facsimiles at applicable toll charge rates, which invariably are less than \$1.25 per page, as permitted by the Guidelines. Each of these categories of expenses falls below the maximum rates set by the Guidelines. These charges are intended to cover Kramer Levin's direct operating costs, which costs are not incorporated into Kramer Levin's hourly billing rates. Only clients who actually use services of the types set forth in Exhibit C are separately charged for such services.

59. In addition, due to the locations of Ad Hoc Committee members, long-distance telephone calls were often required. These disbursements are not included in Kramer Levin's overhead for the purpose of setting billing rates.

60. Kramer Levin has made every effort to minimize its disbursements in these cases. The actual expenses incurred in providing professional services were absolutely necessary,

reasonable, economical, and justified under the circumstances to enable Kramer Levin to serve the needs of the Ad Hoc Committee.

61. The members of the Ad Hoc Committee also incurred certain expenses in the performance of their duties as members of the Ad Hoc Committee. This Application seeks allowance of these necessary disbursements by the Ad Hoc Committee members, in accordance with the terms of the Fee Assumption Order.

**THE REQUESTED COMPENSATION SHOULD BE ALLOWED**

62. The Fee Assumption Order provides that Kramer Levin's reasonable and documented fees and expenses shall be subject, *mutatis mutandis*, to the procedures with respect to the authorization of payment of the fees and expenses of the professionals of the Debtors and the UCC as set forth in the Interim Compensation Order. Therefore, while this Application is not strictly subject to sections 331 and 330 of the Bankruptcy Code, we are guided by such provisions in making this Application. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of 11 U.S.C. § 330 to govern the Bankruptcy Court's award of such compensation.

63. Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . , the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

(A) the time spent on such services;

(B) the rates charged for such services;

(C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

(D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

(E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

(F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

64. Here, Kramer Levin respectfully submits that the services for which it seeks compensation in this Application were, at the time rendered, believed to be necessary for, beneficial to, and in the best interests of, the Ad Hoc Committee. Kramer Levin further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Ad Hoc Committee. The services rendered by Kramer Levin were consistently performed in a timely and efficient manner commensurate with the complexity, importance, and nature of the issues involved. Kramer Levin respectfully submits that approval of the compensation sought herein is warranted.

### **NOTICE**

65. Notice of this Application has been provided in accordance with the Guidelines and the Interim Compensation Order. Because of the nature of the relief requested, the Ad Hoc Committee submits that such notice is sufficient and that no further notice of the relief requested in the Application need be given to any party.

[THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

**CONCLUSION**

WHEREFORE, Kramer Levin respectfully requests that the Bankruptcy Court enter an order: (i) authorizing the Debtors to pay 20% of the unpaid balance of all approved fees for the Second Interim Period and (ii) granting such other relief as is just and proper.

**Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period?

**Response:** Kramer Levin provided voluntary write-offs of both fees and expenses during the Second Interim Fee Period in its discretion.

**Question:** If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

**Response:** For the Second Interim Fee Period, Kramer Levin is not seeking fees that exceed amounts budgeted for that period by 10% or more.

**Question:** Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

**Response:** No.

**Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be

compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.) If so, please quantify by hours and fees.

**Response:** Yes. This Application includes certain fees relating to reviewing or revising time records, as well as preparing, reviewing, or revising invoices during the Second Interim Fee Period. These fees are reflected in billing code number 00006, Employment and Fee Applications (which matter also includes time spent by Kramer Levin reviewing other professionals' employment and fee applications and reviewing time records to redact privileged or other confidential information).
